

# DESIGN YOUR OWN WINGS!

## INSTRUCTIONS:

- 1) Print out back plate and wing templates. Use heavy cardstock if available.
- 2) Color and decorate the back plate and both wings and then cut them out carefully.
- 3) Punch holes in the circles on the back plate.
- 4) Glue wings to the back plate where indicated.
- 5) Loop yarn through the holes and around arms. Tie to hold the wings in place.
- 6) Use your wings to fly!
